Come on down and meet the new staff in the Tuckshop! Our new convenor Nadine Stone and her assistants Karen and Emma have a new menu and heaps of exciting new things happening in the tuckshop this year. The tuckshop has been freshly painted ready for the New Year in bright colours, thanks to Kerri & Ken Barnes, Karen Goodall, Nadine Stone and Hans Binnekamp. This year the girls are going to be cooking all our children's meals including the sausage rolls, honey soy chicken with rice, bake potatoes, fresh salads, muffins and Mac& Cheese. The Nadine is cleverly putting vegetables in all the meals by blending the vegetables up so fine, that they cannot be seen by the children. *SHHHHH..... Don't tell the kids.* The girls will be having weekly bake days if any parents would like to get involved please come in and meet everyone. Healthy start to the year!! Thanks ladies. Just waiting for the upgrade now, then we will be an A1 tuckshop.

New shade sail for the Prep area is coming thanks to the very hard work of Jacqui Hiron putting together grant letters and getting quotes. It has been a long road but we can proudly say it is coming. Thanks to the Garden Party fundraiser for paying the extra funds required to have shade for the children of the Moranbah East School. I can proudly say I work with a wonderful group of helpful people, just want the best for our children. This year is going to be great, just need a few more helpful parents to make to FAB!!!!!!

New furniture for the Learning Support room thanks to the Garden party fundraiser!

The children are in for a real treat with new bright and fun furniture coming in a few weeks. The Learning Support Room has now been moved into a new class room with interactive whiteboard and is going to look wonderful.

Thanks to the P&C, helping support your children with their extra learning needs

*for creative
people!*

Can you make up posters? Help with advertising?
Get quotes? Plan an event? Can you cook? Love writing
letters? Put welcome bag together?
Then the P&C needs your help!
