- Mothers Day
- Easter Celebrations
- Garden Party etc

Fundraisers helpers.- tickets/raffle makers
Two Tuckshop Assistance - lunch preparation

Welcome Back
Hope everyone had a fantastic break nice to see plenty of old faces and a lot of new ones as well.

Garden Party

Moranbah East State School would like to thank all the wonderful sponsors for an amazing Garden Party. The School celebrated its tenth Anniversary last year, with guests entertained with a protrude dance off and with the wonderful support of Moranbah Community Workers club and Hutchinson’s Builders the ladies listened to international touring group “Busby Marou”. The school has been able to raise way beyond what was expected this year. Moranbah East P&C handed over a cheque to the principals Chris Munro and Tanya Abell for $63,966.42. The funds will be going towards 28 new classroom laptops for the children, which will able to be moved from class to class as required. This will help the children’s learning abilities in our modern lifestyles and help advantage children who do not have access to computers. The school will also purchase new class iPods for children with learning difficulty so the school can educate all students to their learning ability. The iPods will be a great advantage to the children allowing them to be interactive with learning programs. Wonderful upgrades to the school hall with new projector and speakers for events within the school. The P&C are very proud of the efforts from its parents and the community for its support in raising funds for the future children of Moranbah. So many local businesses support the event and the P&C thanks them all. Gifts and funds in the figures of $10,000.00 were donated to the school, which the ladies of Moranbah were showered in prizes and a night to remember. Last year it seems that this little event has be talked about as far as Brisbane with the event Coordinator being contacted to see if their business could sponsor our little event. The event was created so the P&C could give back to the school to help educate their children and give back they have. The P&C hope this event will continue for many years to come and be the highlight in the social calendar of Moranbah.

COFFEE CLUB COMING SOON

Please also remember that the children love their homemade treats, you can bring in your own homemade treats or pick up a cake mix from the canteen
