  - pencil case (no scissors!)
  - refillable water bottle
  - Democracy Workbook
  - wallet (teachers will oversee - see note below)

Please label everything!

What is allowed?

Camera, mints for the plane.
Mp3 players but responsibility is up to the student (including insurance of items). No responsibility of loss or damage will be taken by teachers.

What is not allowed?

Mobile phones, phone cards, chewing gum. Anything sharp on aeroplane (eg. Compass and scissors that may be in pencil cases).

Additional Information

- Luggage: Under-cabin luggage must not exceed 15kg and carry-on must not exceed 10kg. It is an idea to wear your heavy jumper on the plane to reduce weight of your baggage. Students must be able to carry and recognise their own bags. Please also ensure all luggage is clearly marked. Using a bright bag tag is a handy tip so it can be easily recognised at the airport.

- Spending Money: Students will require to purchase one morning tea, one lunch and one afternoon tea on camp. It is not compulsory to bring other spending money, however the children may wish to purchase souvenirs; the total amount should not exceed $100.

- Layers, layers, layers: The trick to cold winter days is to wear layers. The buildings will be heated so it is a good idea to wear clothes that would be suitable for outside, a jumper and jacket, and inside, a t-shirt. It is suggested to pack a singlet to add to the layers.

- Snow: All clothing for the snow will be provided to students. Students should wear a long sleeve shirt or skivvy, woollen jumper and long pants to the snow. They must also include a change of clothes (including underwear and socks) for the journey home.

*Beanie: Your child will be required to wear a RED beanie during camp.
